# TDCORE A9S - 15.6" Widescreen Touch EPOS

A lightweight, flexible matt aluminium body with a thin bezel. The one-piece design makes the overall body very stable and maintains excellent balance.

The **TDCORE A9S** is a thin and light 15.6" Widescreen Windows POS system with a streamlined one-piece design, with only one bracket supporting its entire lightweight body.

- Stylish super-slim wide metal screen casing - just 0.8cm deep at edge

- 15.6" 1920 x 1080 Capacitive Touchscreen

- Quad-Core 2GHz Intel J6412 CPU - can run Windows or Linux

- 4GB DDR4 RAM, 128GB SSD with 3-year warranty

- Lightweight, flexible matt aluminium body for stability, industrial touchscreen

- Able to run Windows 8, 10, 11 or Linux (**TDCORE** version pre-installed with Win 10 IoT)
