

TDCORE A9S - 15.6" Widescreen Touch EPOS

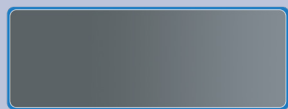

The **TDCORE A9S** is a slim, lightweight 15.6" widescreen POS system with a streamlined flexible matte aluminium body with a thin bezel one-piece design. With only one bracket supporting its entire lightweight body, the one-piece design makes the overall body stable and maintains excellent balance.

- Stylish super-slim wide metal screen casing with just 0.8cm edge.
- 15.6" 1920 x 1080 Capacitive Touchscreen.
- Quad-Core 2GHz Intel J6412 CPU with 8GB DDR4 RAM, 128GB SSD with 3-year warranty.
- Onboard Wi-Fi as standard.
- Lightweight, flexible matt aluminium body for stability with industrial touchscreen.
- Whole range of additional extras including MSR and rear displays...
